

"Roofmaster Products Company in Monterey Park, CA has completely rebuilt its website: [www.roofmaster.com](http://www.roofmaster.com). The previous website only allowed visitors to download their product catalog. The new website is proactive and allows visitors to shop for the items they want copy & reprint anything in the catalog. More detailed information is available on specific items and pictures may be downloaded, also.

Roofers & distributors are invited to visit the new Roofmaster website to review their roofing tools & equipment needs. E-mail inquiries may be directed on any specific items at: [roofmaster@roofmaster.com](mailto:roofmaster@roofmaster.com). Tools & equipment may be purchased from Roofmaster directly or from our warehouses in Hayward, CA. Seattle, WA, Atlanta, GA, Las Vegas, NV, or Buffalo, NY. E-mails orders directly or phone orders may be placed using our Toll Free line: **(800) 421-6174.**"

Direct any questions or inquiries to: John MacLaughlin  
National Marketing Manager
