

John Newquist

John Newquist is an independent safety trainer, author, and consultant. He has been interviewed for his safety expertise and OSHA insight by NPR, BNA, Safety + Health Magazine, Mother Jones, and several more. He works with numerous companies to address their OSHA and safety compliance needs. He has a BS in Fire Protection and Safety Engineering from the Illinois Institute of Technology and a Masters of Science in Industrial Management from Northern Illinois University. He is a Certified Safety Professional. He has taught hundreds of safety seminars across the country including the National VPPPA, Construction Safety Conference, American Society of Safety Engineers, National Fire Protection Association, and numerous Building Trade Councils. He worked for OSHA from 1983-2012 and was also the Area Director of the Peoria Area Office. He currently teaches safety classes at the Construction Safety Council.
