# Welcome to 2011!

Dear CRCA Members:

As we enter 2011, CRCA thanks you for the multitude of time and talents so graciously given last year. Your time and talent provided the educational programming, resources for committee action, and the work needed contributing to the success of the oldest professional trade association of its kind in the US!

As we move into the New Year,

- Mark your event calendar and watch [www.crca.org](http://www.crca.org) for updates!  
Jan. 20-21 ~ CRCA Trade Show  
Feb. 9 ~ Committee Day  
March 15 ~ Membership Lunch  
May 17<sup>th</sup> ~ Membership Scholarship Dnr.  
July 14 ~ Golf Outing  
Sept. 13 ~ Membership Lunch  
Nov. 15<sup>th</sup> ~ Membership Lunch

- **It's not too late to register for the CRCA Trade Show!** Visit [www.crca.org](http://www.crca.org) for online registration or register at the show. Don't miss the over 135 exhibitors! Don't miss the seminars....especially the SAFETY SEMINAR, Friday, Jan. 21. Come for coffee at 6:30 am, seminar at 7-9 am. Presented by the CRCA OSHA Alliance, you'll hear a mock inspection with an informal hearing following. Great for management and field personnel. Plenty of Q&A!
- Questions, call the CRCA office at 708-449-3340. Suggestions Welcome too!

# CRCA Committee Descriptions

*Faxback form to: 708-449-0837*

**Contracts & Insurance** - The Contract / Insurance Committee continually maintains contact with the legal, architectural and insurance community to monitor developments in contract language for contractors as well as insurance issues for members. The group produces resources for CRCA Members to use in their businesses.

**Health & Safety** - CRCA's Health and Safety Committee works closely with CRCA Member Contractors and OSHA to promote safety in the Roofing and Waterproofing Industry. CRCA's Alliance with OSHA promotes safe work practices to the CRCA Contractors and Associates.

**History** - This committee is compiling historical data on CRCA as well as roofing and waterproofing materials since CRCA's beginning following the Great Chicago Fire of 1871.

**Industry Affairs / Tech Operations** - CRCA's Industry Affairs and Technical Operations Committee works with CRCA's Government Affairs Consultants to further CRCA Roofing and Waterproofing Industry advancement and consumer protection. This committee also works to promote Licensing to Chicagoland Municipalities and participates in Code and Standards development.

**Marketing** - This committee works closely with various organizations who are important contacts for Contractors, including architects, building code officials, fire marshals, roof consultants and more.

**Membership** - CRCA's Membership Committee works hard to assure retention and growth of the association. This group forwards to the CRCA Board of Directors Membership Applications for Contractor and Associate Members. The group also provides mailings and other promotional pieces to market CRCA Membership.

**Program** - CRCA's Program Committee develops topics and finds speakers for the CRCA Membership Meetings, plans the CRCA Annual Awards Banquet and the CRCA Golf Outing each year. This is an active group.

**Scholarship** - CRCA Awards over \$15,000 in scholarships each year. This committee reviews applicants and monitors the selection criteria and process.

**Steep & Shingle** - CRCA's Steep and Shingle Committee monitors activities and technology in the steep slope roofing discipline and provides educational outreach to building code officials and others on timely roofing topics.

**Trade Show** - The CRCA Trade Show Committee plans the Show, including technical program content, assigns booth locations to exhibitors, and assists in execution of this industry leading show.

**All 2011 Committee Members, please FAXBACK form...  
new and returning members!**

**PLEASE CHECK THE COMMITTEE YOU WOULD LIKE TO BE INVOLVED WITH.**
