

The **UNIFLEX** Advantage

UNIFLEX® has been the foremost leader in providing trusted solutions for the roof coatings industry since 1906. When you take advantage of our vast experience, time-tested products and systems and extensive warranty coverage, you can rest assured that your roof will remain weathertight for years to come. With over 3,000 distribution locations and experienced Sales and Technical support, we have all your service needs covered.

UNIFLEX® Professional Roof Coating Systems:

- Reduce the maintenance costs of your roof
- Reduce your energy costs with up to 90% reflectivity
- Eliminate the high costs of tear-off, disposal and replacement
- Protect your original system from aging and avoid property damage
- Extend the life cycle of your building
