CRCA Value Statement

- To encourage and foster a feeling of friendship and cooperation among members.
- To provide for the mutual exchange of practical and educational information that may be useful to its members.
- To establish and endeavor to maintain a high standard of business ethics and conduct among its members and to encourage such feelings among all others associated with the roofing industry.
- To remain in close contact, through public relations activities, with Architects, Engineers, Contractors and other segments of the construction industry, including property owners and the general public, so that all our communications efforts are coordinated and channeled to the best interests of our members, their employees, our industry, and the public welfare.

2026 CRCA COMMITTEES AND DESCRIPTIONS

2026 CRCA COMMITTEES AND DESCRIPTIONS

CRCA Awards Committee, consisting of past Clyde Scott Award Recipients and other CRCA leaders, reviews accomplishments by CRCA Members for consideration as award recipients and facilitates the process. These include the Clyde Scott Award, Award of Excellence, Associate of the Year, Patty Keating Award and facilitates the CRC / Local 11 Joint Safety Award.

- Chair: Tony Roque
- Mark Moran
- Ryan Petrick
- Rod Petrick
- Mitch Rabin

*Clyde Scott Award:
George Patterson*

*Award of Excellence:
NRCA's Mark Graham*

Associate of the Year: Garza Supply

Gold Medal Safety Award: Olsson Roofing

*Patty Keating Award:
Kim Good*

CRCA Building Enclosure Committee was created with the purpose of providing education on the relationship between moisture and air management to determine how and why it affects structures. The goal is to understand what all encompasses the building envelope standards and help educate CRCA members on these new standards moving forward in our industry.

- Co-Chairs: Matt Dupuis & George Patterson
- Marly Almendarez
- Frank Arevalo
- Andy Barriento
- Jeff Dunn
- Matt Durett
- Matt Evans
- Andrew Fisher
- Dan Henshaw
- Dave Hinners
- Larry Marshall, III
- Nick Palmer
- Pavel Pecinka
- Monica Perez
- Brad Rabin
- Jennifer Trapano
- Eric Ziemba

CRCA Contracts / Insurance Committee collaborates with the legal and architectural community to monitor developments in contract language for contractors as well as insurance issues for members.

- Co-Chairs: Phil Hayes & Mike Zimmermann
- Trent Cotney
- Phil Diederich
- Quinn Ferrall
- Rob Metzler
- Philip Siegel

2026 CRCA COMMITTEES AND DESCRIPTIONS

CRCA Chicagoland Women in Roofing Committee focuses on inspiring women to get involved and gain and contribute their knowledge and experience in the roofing and waterproofing industry.

- Co-Chairs: Jennifer Grove & Monica Perez
- Marly Almendarez
- Kim Good
- Meredith Moran Purim
- Kayla Quinn
- Sarah Sutton-Shouse
- Jennifer Trapane
- Linda Trujillo
- Beth Winkler

CRCA Photo

CRCA Emerging Leaders Committee's mission is to reach out to future CRCA leadership, creating opportunities to network, learn and develop leadership in the roofing and waterproofing installation and supply businesses.

- Co-Chairs: Brian Harris & Ryan Young
- Bryan Adams
- Alec Austin
- Connor Diulus
- Ryan Glaser
- Randy Gleason
- Francis Koniewicz
- Szymon Moskala
- Sarah Murray
- Brian Mutch
- Whitney Sapp
- Brittany Wykle

CRCA Photo

CRCA Financial Committee develops policy and monitors investments for CRCA.

- Co-Chairs: Brian Cronin & Shawn Sullivan
- Dennis Bone
- Mark Duffy
- Mitch Rabin
- Mike Reynolds
- Mike Ribich
- Tony Roque

CRCA Industry Affairs / Technical Committee works with CRCA's Legislative Consultant as well as with Chicago, State and National governing bodies to further CRCA Roofing and Waterproofing Industry advancement and consumer protection.

- Larry Marshall, III & Bill O'Brien, Jr.
- Joan Crowe
- Matt Evans
- Jennifer Grove
- George Patterson
- Rod Petrick
- Mitch Rabin
- Tony Roque
- Margaret Vaughn
- Mark Graham

2026 CRCA COMMITTEES AND DESCRIPTIONS

CRCA Marketing Committee develops key marketing to promote CRCA's members to architects/specifiers, building officials, associations and other organizations and entities important to the Chicagoland and Illinois Roofing and Waterproofing industry.

- Co-Chairs: Dave Good & Bill O'Brien, Jr.
- Jennifer Grove
- David Lauber
- Jake Mallein
- Dan Schmidt
- TJ Taylor
- Jennifer Trapane
- John Williams

CRCA Membership Committee works collectively to assure retention and growth of the association. This group connects with potential new members, acting as CRCA Ambassadors, developing initiatives and events with the Marketing Committee for membership promotion.

- Co-Chairs: Casey Fraher & Kim Good
- Nick Camardo
- Stephanie Creed
- Luke Duffy
- Kevin Gleason
- Carl Moose
- Bob Prette
- Gary Schultz
- Brad Schwab
- Ron Sweeney
- Jennifer Trapane

CRCA Photo

CRCA Photo

CRCA Nominating Committee presents a slate of officers and directors to the CRCA Membership at the annual meeting. Voting Contractor Members are elected to the Board of Directors to three-year terms. The Executive Board Members serve terms of one year each. Associate Directors are elected by other Associate Member firms for a three-year term.

- Chair: Mark Moran
- Mark Duffy
- George Patterson
- Mitch Rabin
- Tony Roque

CRCA Program Committee develops topics and determines speakers for the CRCA Membership Meetings, plans the CRCA Annual Awards Banquet, the legendary CRCA Industry Day Golf Outing as well as other social and business-based events.

- Co-Chairs: Mike McMillin & Tony Roque
- Matthew Adler
- Greg Dedic
- Jeff DeJong
- Mike Doberesch
- Mark Duffy
- Mark Moran
- Noel Prudent
- Ryan Schultz
- Ron Sweeney
- Randy Zaleski

- Mark Duffy
- Tom Gadzikiewicz
- Dave Good
- Kim Good
- Mike Lowery
- Meredith Moran-Pruim
- Rod Petrick
- Anne Prusak
- Ross Ridder
- Jeff Stralka

CRCA Photo

CRCA Photo

CRCA Labor / Joint Grievance Committee represents contractors in grievance disputes regarding the CRCA's Standard Working Agreement with the Roofers, Waterproofers and Allied Workers Local 11 Union.

- Chair: Rod Petrick
- Mark Duffy
- Joe McDevitt
- Mark Moran
- Tony Roque
- Ryan Petrick (Observer)

2026 CRCA COMMITTEES AND DESCRIPTIONS

SAFETY

CRCA's Health and Safety Committee works closely with CRCA Member Contractors and governmental entities such as OSHA to promote safety in the Roofing and Waterproofing Industry and determines the CRCA member firm to receive the annual Wellness Award.

- Co-Chairs: Joel Barnes & JJ Matthews
- Joe Adler
- Noah Das
- Philip Hayes
- Austin Keller
- Garen Rodriguez
- Caitlyn Schiradelly
- Chris Spicer
- Sarah Sutton-Shouse
- Ryan Young

The Chicagoland Roofing Council Joint Safety Committee focuses on worker safety on the roof. This important committee is comprised of union contractor firms, union professionals and CRCA's safety consultant.

- Chair: Mark Moran
- Mark Duffy
- Frank Marino
- Jim Meegan
- Mike Reynolds
- Bob Burch (Local 11)
- Kevin Coleman (Local 11)
- Gary Menzel (Local 11)

CRCA TRUSTEES

The Roofing Industry Apprenticeship and Training Fund Trustees work together with the Roofers, Waterproofers and Allied Workers Local 11 Union to implement education curriculum that results in workers trained in general roofing principles and specific specialties. This group also spearheaded the development of the Local 11 Joint Apprenticeship Training Facility, the finest of its kind in the US.

- Chair: Ryan Petrick
- Luke Duffy (CRCA)
- Casey Fraher (CRCA)
- JJ Matthews (CRCA)
- Richard Coluzzi (Local 11)
- Travis Gorman (Local 11)
- Michael Lafferty (Local 11)
- Gary Menzel (Local 11)

The Trustees of the Roofing Industry Advancement and Research Fund develop programs to promote the signatory Roofing and Waterproofing Contractor in the Chicagoland Construction Industry and beyond.

- Chair: Mark Moran
- Mark Duffy
- George Patterson
- Rod Petrick
- Tony Roque
- Mitch Rabin (Observer)
- Joe McDevitt & Paul Shah (Member Emeritus)

The Trustees of the Health, Welfare, Pension and Reserve Funds are responsible for the management of these funds, working together with the Fund Administrator used by the group towards this goal.

- Chair: George Patterson (CRCA)
- Mark Duffy (CRCA)
- Mark Moran (CRCA)
- Mike Reynolds (CRCA Observer)
- Richard Coluzzi (Local 11)
- Travis Gorman (Local 11)
- Gary Menzel (Local 11)
- Jason Catona (Local 11 Observer)

2026 CRCA COMMITTEES AND DESCRIPTIONS

The CRCA Foundation, a Charitable 501 (c) (3) organization, was formed with the mission of providing support to philanthropic causes, research and education to further the roofing and waterproofing industry and the community. These trustees are building a platform of charitable giving and support to further this mission moving forward.

- Chair: Rod Petrick
- Jennifer Holsinger
- Dennis Bone
- George Patterson
- Trent Cotney
- Tony Roque
- Mark Duffy

A CRCA CONTRACTOR MEMBER IS...

Experienced – Some CRCA Member Contracting firms have been in business for more than 100 years. This longevity brings stability to relationships with customers. Additionally, newer firms who are involved in CRCA, benefit from Membership Meetings where new knowledge of materials, technology and processes are brought by industry leaders to CRCA Member Firms.

Licensed – CRCA Roofing Contractor Members are licensed by the State of Illinois Department of Professional Regulation. CRCA Members worked with the State of Illinois to develop and implement this important legislation to protect the consumer against unscrupulous contractors.

Competitive – CRCA Member firms invest time and money into equipment, processes and people to gain the best competitive edge possible in all facets of the business. CRCA Members, when bidding equal systems, are very competitive in the marketplace.

Educated – Whether union or non-union, CRCA Member firms educate their workers and office staff through training in the classroom and in the field on all types of roofing systems and safety. Workers and contractors have years of experience in all types of roofing systems installation, including gravel and ballast covered, smooth surfaced, roof garden vegetative systems, as well as pavers, photovoltaics, and other overburden systems.

Involved – CRCA Members give back to the community, by being active members and leaders in other organizations.

GEMCO

ROOFING & BUILDING SUPPLY

A CRCA ASSOCIATE MEMBER IS A...

CRCA Associate Members enable the CRCA Contractor Members to complete a successful installation, providing the essential products and services. Many of these firms are also multi-generational, providing unparalleled products and services. CRCA Roofing and Waterproofing suppliers can be categorized in multiple areas:

Manufacturer – These CRCA firms manufacture various roofing and waterproofing products for use by professional contractors and others. Some firms use a direct sales and technical force to support contractors, distributors, architects and consultants.

Manufacturers' Representative – Independent sales representatives who support contractors, distributors, architects and consultants.

Distributor – Unparalleled service and local distribution to stock, extend credit and technically support products.

Supplier – CRCA Suppliers supply the important services to enable roofing contractors to complete the installation of roofing and building envelope weatherproofing. From insurance, safety, decking and lightweight concrete insulation suppliers, to vacuum services and more.

Consultant – The Roofing and Waterproofing Consultants and Architects assist building owners, contractors and architects in specification, design and inspection of roofing systems.

CRCA BYLAWS

ARTICLE I: NAME AND OFFICES

Section 1. Name. The name of the association is the CHICAGO ROOFING CONTRACTORS ASSOCIATION, incorporated under the General Not for Profit Corporation Act of the State of Illinois (hereafter the “**Association**”).

Section 2. Offices. The Association shall maintain a registered office in the State of Illinois and a registered agent at such office. The Association may have other offices within or without the State, as the Board of Directors shall determine.

ARTICLE II: PURPOSES AND OBJECTIVES

Section 1. Purposes and Objectives. The purposes and objectives of the Association are:

- a. To support, protect, and advance the Association goals and objectives for the benefit of the industry and its members, including but not limited to the support of legislation that is designed to benefit the members of the industry and the public as a whole, as well as the opposition of legislation that is deemed harmful to the members of the industry and the public as a whole;
- b. To sponsor programs directed towards the furtherance of the interests of the industry and its members;
- c. To perform such functions as shall promote and provide for the welfare of the industry and the public, and engage in all lawful activities appropriate for an industry trade association, including improving communication; conducting research and education activities; representing the industry in its contacts and relations with the government, building code officials and fire marshals, architects, specifiers, engineers, other organizations, and the general public; analyzing and discussing conditions and opportunities affecting or which may affect the roofing contractors industry; and promoting roofing contractors;
- d. To maintain a working relationship with related labor unions affecting the Association members, in particular, Local No. 11 of the International Union of Roofers, Waterproofers and Allied Workers (hereafter “**Local No. 11**”), or as may be determined by the Board of Directors from time to time; and
- e. To do any and all lawful acts and to perform and furnish any and all lawful services which may be deemed to be useful and desirable in order to carry out any of the above purposes and objectives or to conduct any of the above activities.

ARTICLE III: MEMBERS

Section 1. Classes and Qualifications for Membership. The Association shall have four (4) classes of members, as follows:

- a. **Contractor Members.** Any for-profit business entity, including an individual proprietor, partnership, company, or corporation (including a subsidiary corporation), which (i) has a regularly established place of business, (ii) has financial and legal responsibility sufficient to carry on the business, and (iii) is engaged in the installation of low slope and steep slope roofing, waterproofing, damp and weatherproofing and air barriers (collectively referred to as “**Roofing**”) as its primary business, and is duly licensed by the State of Illinois as a Roofing Contractor as required by the type of services provided.

For the purpose of these bylaws, “**primary business**” is defined to mean roofing activity representing more than 50 percent of the business entity’s operations to include roofing, waterproofing and sheet metal or as determined by the CRCA Board of Directors. Additionally, “**business entity**” is defined to mean a for-profit corporation, partnership (general or limited), sole proprietorship or joint stock company.

This entity must submit evidence that shows it is so qualified, is located in the State of Illinois, City of Chicago or Chicagoland vicinity as determined by the Board of Directors and has been operating as an Illinois Licensed

CRCA BYLAWS

Roofing Contractor business during application for membership in the Association in the appropriate category (a “**Qualified Entity**”). Notwithstanding the foregoing, for the purposes of determining whether an entity is a Qualified Entity, any entity who has achieved status as a member of CRCA as of December 31, 2021, regardless of whether it meets the definition of Qualified Entity in subsection (a), shall automatically be deemed a Qualified Entity (a “**Legacy Entity**”).

Contractor members may have branch locations.

- b. **Associate Members.** Any business entity, including an individual proprietor, partnership, company, or corporation (including a subsidiary corporation), which (i) has a regularly established place of business; (ii) has financial and legal responsibility sufficient to carry on the business; and (iii) is a manufacturer; consultant, representative, seller, or provider of services to Roofing Contractors; provider of allied products or accessories to the Roofing industry; or supplier of materials or significant components used in the Roofing industry, as its primary business. Associate members may have branch locations but shall not be engaged in installation services or be Roofing Contractors. Associate members may participate in the Association and other such activities as prescribed by the Board of Directors. Associate members shall not be eligible to hold an elective office in the Association, shall not be counted for a quorum and shall not be entitled to vote for any purpose, except to elect no more than three Associates to serve as a director on the Board of Directors. For purposes of clarity, trade associations and labor unions are excluded from Association membership unless previously approved for membership, as further defined herein as a Legacy Entity.
- c. **Honorary Members.** Honorary membership may be conferred upon an individual by the Board of Directors, acting by majority vote of all the members of the Board. Honorary members shall not be entitled to voting privileges, shall not hold office and shall not serve on the Board of Directors.
- d. **Friends of CRCA.** CRCA membership may be conveyed upon contractor companies located outside of the CRCA Service Area, by the Board of Directors, acting by majority vote of all the members of the Board. These Friends of CRCA members typically attend CRCA events, participate in committees, and support the association through special assignments at CRCA. There will be no membership fee charged and will not be recognized in the CRCA membership directory or website listing and do not need to be duly licensed by the State of Illinois as a Roofing Contractor. Friends of CRCA members shall not be entitled to voting privileges, shall not hold office and shall not serve on the Board of Directors.

Section 2. Application Procedure and Admission of Members. An applicant for membership shall complete and sign the application form provided by the Association and submit it to Association Management, who shall forward it to the Membership Committee Chair(s) for recommendation to the Board of Directors. The application and the Membership Committee Chair’s recommendation shall then be submitted to the Board of Directors for consideration at its next regular or special meeting, or by mail ballot or electronic ballot.

The affirmative vote of a majority of the directors shall be required to approve the application at a meeting. The unanimous vote of the directors shall be required to approve the application by mail ballot or electronic ballot. The applicant shall become a Contractor or an Associate member (as appropriate) of the Association, upon approval and receipt of the initial dues payment.

Section 3. Voting Rights. Each Contractor member shall be represented in the Association by one Voting Representative and shall be entitled to one vote on each matter submitted to a vote of the general Association membership.

Associate members shall have no voting rights on matters submitted to a vote of the general Association membership with the exception of the election of the one Associate member to the Board of Directors annually. These elected Associate Board of Directors members shall have voting rights on matters submitted to the Board of Directors.

All subsidiaries and branches of one company, under common ownership or economic control, shall have only one vote among them for all matters submitted for vote.

CRCA BYLAWS

Section 4. *Voluntary Resignation.* Any member may resign from membership in the Association by filing a written resignation with Association Management, giving sixty (60) days notice of such intention to resign. Such resignation shall not entitle the member to a refund of prepaid dues or relieve the member of its unpaid financial obligations. Proof of delivery of the notice of resignation shall comply with **Article XII, Section 7**. A resigned member shall immediately cease and desist from using or making reference to the Chicago Roofing Contractors Association in website, literature, advertising, guarantees, social media, etc.

- a. No such resignation from any Contractor member who has delegated its bargaining rights to the Association shall become effective, within the three (3) months prior to the termination date of any existing labor contract to which the Association is a party (as bargaining agent) or during negotiations for such a contract. In the event of such resignation, such members shall not thereafter have any right or interest in or to any records, assets, or other property of the Association.
- b. A timely resignation, effective within the limitations provided above, shall not serve to change the former members' rights and obligations as an Employer under any existing labor contract negotiated by the Association for such former member (as its bargaining agent) for the remainder of the term of that labor contract. A release with specificity, if any, from such rights and obligations under such labor contract, shall be accomplished only by written agreement of the Association and written agreement of the labor union concerned, pursuant to a written request (for such a release) from the former member, addressed to both the Association and the labor union.

Section 5. *Suspension for Failure to Pay Financial Obligations.* Membership dues shall be invoiced, due and payable on or before January 1 of each year. Any member whose dues remain unpaid as of March 31 shall have their membership automatically terminated without further action by the Board of Directors.

Notwithstanding the foregoing, the Association may, in its discretion, permit a member to satisfy annual membership dues through an approved structured installment schedule, subject to such terms, conditions, and deadlines as may be established by the CRCA staff. A member participating in an approved installment payment plan shall remain in good standing so long as all required payments are made in accordance with the approved schedule. Failure to comply with the terms of an approved payment plan shall constitute a default, and the member's membership shall be subject to suspension or termination as provided herein.

For all other financial obligations owed to the Association ("Financial Obligations"), any member who is in default for two (2) months or more in the payment of Association dues or financial obligations from the due date, shall be suspended from membership unless the Board of Directors, by a majority vote of all the members of the Board, directs other action. The membership of any member suspended for failure to pay its financial obligations shall terminate at the conclusion of a period of sixty (60) calendar days after its suspension unless such period is extended by the Board of Directors. In which case, the membership shall, without further action, terminate at the end of the extended period if the financial obligations have not been paid.

Section 6. *Termination of Membership.* The Board of Directors, by affirmative vote of two-thirds (2/3) of all of the members of the Board, may expel a member for cause after an appropriate hearing, conducted in accordance with due process procedures adopted and approved by the Board of Directors and Legal Counsel. Termination of membership, for whatever reason, shall not relieve the member of its obligations for dues or other financial obligations accrued and unpaid. Upon such termination, the terminated member shall not thereafter have any right or interest in or to any records, assets, privileges, or other property of the Association, and shall cease and desist from using or making reference to the Chicago Roofing Contractors Association in any website, literature, advertising, guarantees, social media, etc.

- a. Such expulsion from the Association shall not relieve the expelled member from obligations as an Employer, nor cause the expelled member to lose rights as an Employer under any currently effective collective bargaining agreement (for the remainder of the term of such agreement) for which the Association was the bargaining agent when the agreement was being negotiated or when it was executed. A release with specificity, if any, from such rights and obligations shall be accomplished only by written agreement of the Association and written agreement

CRCA BYLAWS

of the labor union, pursuant to a written request (for such release) from the expelled member addressed to both the Association and labor union.

Section 7. *Reinstatement.* Upon written request, signed by a former member and filed with Association Management, the Board of Directors may, by the affirmative vote of two-thirds (2/3) of the members of the Board, reinstate such former member to membership upon such terms as the Board of Directors may deem appropriate. These terms may include payment of previously delinquent dues and other financial obligations.

Section 8. *Transfer of Membership.* Membership in the Association is not transferable or assignable.

Section 9. *Additional Classes of Membership.* Additional classifications of non-voting members may be created by the Board of Directors, from time to time, to accommodate special needs, contractors not located in Chicago or the Chicagoland vicinity, and/or changes within the Roofing industry.

ARTICLE IV: MEETING OF MEMBERS

Section 1. *Annual Meeting.* An annual meeting of the Association shall be held as directed by the Board of Directors for the purpose of electing officers and directors and for the transaction of such other business as may come before the meeting. The Board of Directors may designate the place for any annual meeting. If no designation is made, the place shall be the registered office of the Association in the State of Illinois.

Section 2. *Regular Meetings.* Regular meetings of the Association shall be held at such time and place as designated by the Board of Directors.

Section 3. *Special Meetings.* Special meetings of the Contractor members of the Association may be called by the President, the Board of Directors, the Executive Committee, or upon written request of ten (10) Contractor members having voting rights and filed with the President and Association Management, for the purpose(s) stated in the notice and call of the meeting. The person(s) calling such a meeting shall fix the place and time of the special meeting.

Section 4. *Notice of Meetings.* The Association Management shall deliver written notice stating the place, date, and hour of any meeting of members to each member not less than ten (10) calendar days before the date of each Annual or regular meeting, and five (5) calendar days before each special meeting. In the case of a special meeting, the purpose(s) for which the meeting is called shall be stated in the notice. When a meeting is adjourned to another time or place, notice of the adjourned meeting need not be given if the time and place of the rescheduled meeting are announced at the meeting at which the adjournment is taken.

Section 5. *Attendance at Meetings.* Notwithstanding the fact that a Contractor member shall be entitled to only one vote from its Voting Representative on each matter submitted to a vote of the general Association membership, any number or persons regularly employed for a Contractor member may attend at the invitation of the member at any meeting of members, unless otherwise required by these Bylaws.

Section 6. *Quorum.* Twenty-five percent (25%) of the designated Voting Representatives in attendance at the meeting, represented in person or by proxy, shall constitute a quorum at any Association meeting. If a quorum is not present, a majority of the voting members present may adjourn the meeting to another time without further notice. Withdrawal of members from any meeting shall not cause failure of a duly constituted quorum at that meeting.

Section 7. *Manner of Action.* If a quorum is present, the affirmative vote of a majority of the members present and voting shall be the act of the members, unless the vote of a greater number is required by law or these Bylaws.

Section 8. *Proxies.* At any meeting of the general Association membership, a member entitled to vote may vote either in person or by proxy executed in writing by the Association member or by his/her duly authorized Voting Representative. A proxy shall be valid only with respect to the specific meeting for which it is given.

CRCA BYLAWS

Section 9. *Voting by Mail or Other Means.* Any vote, including the election of directors and officers, may be conducted by mail, facsimile, or other electronic means in such manner as the Board of Directors shall determine, consistent with these Bylaws, or as may otherwise be allowed by law.

Section 10. *Informal Action by Members.* Any action required to be taken at a meeting of the Association, or any other action which may be taken without a meeting of the Association, may be taken without a meeting by mail, email, or other electronic means, provided such action receives approval of a majority of the members, or such larger number required by the Bylaws, provided that the number of members casting votes would constitute a quorum if such action had been taken at a meeting of the members.

ARTICLE V: BOARD OF DIRECTORS

Section 1. *General Powers.* The Board of Directors shall manage the affairs of the Association and shall have general strategic planning and policy-making authority with respect to the interests of the Association as a whole.

Section 2. *Number and Qualifications.* The number of Contractor directors shall be no less than nine (9) and no more than fourteen (14). Additionally, there shall be at least one (1) and no more than three Associate Directors. Each director must be a full-time employee of a member firm. No two (2) individuals representing one Contractor or Associate member firm are to serve as a director or officer during the same year or at the same time.

Section 3. *Election and Tenure.* Members of the Board of Directors shall be elected at the Annual Meeting of the Association members. All Directors (Contractor and Associate) shall serve three (3) year terms of office to succeed directors whose terms then expire, or until election of their successors. No director shall be eligible to serve consecutive three (3) year terms without the interruption of at least one year, with the exception of a director who is an officer. This provision shall not prevent any Contractor member from serving on the Board of Directors as an officer. All directors elected at the Annual Meeting shall take office on January 1st, following the Annual Meeting.

Section 4. *Annual and Regular Meetings.* The annual meeting of the Board of Directors shall be held, without other notice than these Bylaws, in conjunction with the Annual Meeting of the members. The Board of Directors may also meet at such other times as may be determined by the Board. Notice of such regular meetings shall not be required if the time and place of such meetings are fixed by the Board.

Section 5. *Special Meetings.* Special meetings of the Board of Directors and Executive Committee may be called by the President or at the written request of any two (2) directors. The person(s) calling a special meeting of the Board shall fix the time and place of any such meeting and shall state in the notice the purpose(s) for which the meeting is called.

Section 6. *Quorum.* A majority of the Board of Directors, then in office, shall constitute a quorum for the transaction of business at any meeting of the Board. If less than a quorum is present at the meeting, a majority of the directors present may adjourn the meeting to another time without further notice. Withdrawal of directors from any meeting shall not cause failure of a duly constituted quorum at that meeting.

Section 7. *Manner of Action.* If a quorum is present, the affirmative vote of two-thirds (2/3) of the directors present shall be the act of the Board of Directors, except where otherwise provided by law or by these Bylaws. All directors are entitled to cast one vote, including the Immediate Past President and the director(s) elected by the Associate members.

Section 8. *Proxies.* No director may act by proxy on any matter.

Section 9. *Attendance Alternatives.* Members of the Board of Directors may participate in any meeting of the Board through use of a conference telephone or similar interactive technology by means of which all persons participating in the meeting can communicate with each other or through any technology or equipment allowable under law. Such participation in the meeting shall constitute attendance in person at the meeting.

Section 10. *Voting by Mail or Other Means.* Any vote may be conducted by mail, facsimile, or other electronic means in such manner as the Board of Directors, in its discretion, shall determine, consistent with these Bylaws, or as may otherwise be allowed by law.

CRCA BYLAWS

Section 11. *Informal Action.* Directors may take any action that they could take at any meeting of the directors without a meeting by mail, email, or other electronic means if a fax, email, or other written record of approval of the action so taken is submitted by all the directors entitled to vote on the subject. Such consent shall have the same force and effect as a unanimous vote.

Section 12. *Vacancies.* Any vacancy occurring in the Board of Directors shall be filled by appointment of the President. A director appointed to fill a vacancy shall be appointed for the unexpired term of his/her predecessor and shall take office immediately upon said appointment.

Section 13. *Removal.* A director may be removed with or without cause, by the affirmative vote of two-thirds (2/3) of the board members entitled to vote on removal of directors, at a meeting at which a quorum is present, provided written notice of the meeting is delivered to all such members at least twenty (20) calendar days before the meeting stating that a purpose of the meeting is to vote on removal of the named director(s).

Section 14. *Compensation.* Directors shall not receive any compensation for their services as directors.

ARTICLE VI: OFFICERS

Section 1. *Officers.* The elective officers of the Association shall be a President, a 1st Vice-President, a 2nd Vice-President, a Secretary, a Treasurer, and the Immediate Past President, all of whom serve by virtue of their office as voting members of the Board of Directors. Officers whose authority and duties are not prescribed in these Bylaws shall have the authority and perform the duties assigned, from time to time, by the Board of Directors.

Section 2. *Election and Term of Office.* The officers of the Association shall be elected by the Contractor members at the Annual Meeting of the Association. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently possible. Each officer shall hold office until his/her successor shall have been duly elected. All officers shall take office on January 1st following the Annual Meeting.

Section 3. *Vacancies.* The President may fill any vacancy in any office for the unexpired portion of the term. An officer appointed to fill a vacancy shall be appointed for the unexpired term of his/her predecessor and shall take office immediately upon such appointment.

Section 4. *Removal.* An officer may be removed with or without cause, by the affirmative vote of two-thirds (2/3) of the members of the Board of Directors entitled to vote on removal of officers, at a meeting at which a quorum is present, provided written notice of the meeting is delivered to all such members at least twenty (20) calendar days before the meeting stating that a purpose of the meeting is to vote on removal of the named officer(s).

Section 5. *President.* The President shall be the principal executive officer of the Association and shall preside at all meetings of the members and of the Board of Directors. Subject to the direction and control of the Board of Directors, the President shall perform all duties incident to the office of President and such other duties as may be assigned by the Board of Directors from time to time. The President shall be party to a labor contract negotiated by the Association and shall be represented by the Labor Negotiating Committee. The director who serves in the office of President shall have a term limit of two (two) years and shall automatically be succeeded by the director who serves in the office of 1st Vice President.

Section 6. *Vice Presidents.* In the absence of the President, or in the event of his/her inability or refusal to act, then the 1st Vice President shall perform the duties of the President until the President can resume the duties of his/her office. In the event that the President or 1st Vice President cannot perform their duties, then the 2nd Vice President shall perform the duties of the President until the President, or the 1st Vice President can resume their duties of office. The terms of the Vice President shall run concurrently with the other officers. The 1st Vice President shall have automatic succession to the office of President upon the expiration of the President's two (2) year term. The Vice Presidents shall have such other duties as assigned by the President or the Board of Directors from time to time. The 1st Vice President shall be party to a labor contract negotiated by the Association and shall be represented by the Labor Negotiating Committee.

CRCA BYLAWS

Section 7. *Secretary.* The Secretary shall cause to be made minutes of meetings and a general report of the Association during the preceding year. He/she shall perform such other duties as assigned by the President or by the Board of Directors from time to time.

Section 8. *Treasurer.* The Treasurer shall review the activities of Association Management pertaining to the finances of the Association and shall cause to be made regular reports to the Board of Directors on the financial conditions of the Association and the adequacy of the accounting records of the Association. The Treasurer shall have such other duties as assigned by the President or the Board of Directors from time to time.

Section 9. *Immediate Past President.* The Immediate Past President shall be ex-officio and be a full voting member of the Board of Directors and shall remain the Immediate Past President as long as his/her immediate successor in such office shall continue to be President of the Association. During such time, he/she shall also be a member of the Executive Committee. The Immediate Past President shall perform all other duties as may be assigned by the President or Board of Directors from time to time.

ARTICLE VII: COMMITTEES

Section 1. *Executive Committee.* The Executive Committee of the Board of Directors shall consist of the current officers of the Association and the Immediate Past President. During any period between meetings of the Board, the Executive Committee shall be authorized to take any action which the Board itself might take in the management of the Association, except as specifically limited by law or by the Board of Directors. The Executive Committee shall report actions taken and/or make recommendations to the Board by communication or at the next scheduled meeting of the Board of Directors. Meetings of the Executive Committee may be held upon such notice and call as determined by the President or the Board of Directors. The President shall be the Chair of the Executive Committee.

Section 2. *Other Committees.* The President may appoint one or more committees to accomplish the Association's goals and objectives, each of which shall consist of one (1) or more directors. The President shall designate a least one Chair of each Committee who shall be a director. All such Committees shall make periodic reports to the Board of Directors. The activities of these Committees shall be subject to limitations as may be prescribed by the President or the Board of Directors.

Section 3. *Committee Terms.* Each member of a committee shall continue until his/her successor is appointed, unless the committee shall be sooner terminated, or unless such member be removed from such committee, or ceases to qualify as a member.

Section 4. *Trustees.* Trustees to any fund of Contractor members, party to an effective collective bargaining agreement, are appointed by the President as established by the terms of the Trust. The terms of the Trust additionally mandate procedures such as Trustee's terms of office, vacancies, removal, and other operational procedures. Each Trustee shall continue in office until his/her successor is appointed, or such Trustee ceases to qualify as a member, or a Trust is dissolved.

ARTICLE VIII: DUES, FEES AND ASSESSMENTS

Dues, fees, and assessments shall be determined from time to time by the Board of Directors.

ARTICLE IX: ASSOCIATION MANAGEMENT FIRM

Section 1. *Association Management.* The services of an Association Management Firm may be engaged by the Board of Directors and shall have approval by a majority of the Board of Directors. The Association Management Firm shall be paid such compensation as may be determined by the Management Committee.

Section 2. *Duties.* The Association Management Firm shall be an independent company and shall perform such duties as may be required by the Board of Directors. The Association Management Firm shall be responsible to and under the direct control of the President, except as the Board of Directors may otherwise specifically provide. It shall be the

CRCA BYLAWS

principal administrative officer of the Association and shall be custodians of the books, records, papers, seal, and other articles of the Association as described in the Association Management agreement.

ARTICLE X: THE LABOR RELATIONS GROUP AND THE LABOR NEGOTIATING COMMITTEE

Section 1. Labor Relation Group Generally. As explained in **Article II(d)**, to maintain a working relationship with related labor unions affecting certain Association members that are considered Signatory Members (as defined herein), in particular, United Union of Roofers, Waterproofers and Allied Workers Local No. 11 Chicago, Illinois (hereafter “**Local No. 11**”), the Association, through its operations with the Association’s Labor Relations Group (“**LRG**” or “**Labor Relations Group**”) entered into a standard working agreement (the “**SWA**”) with Local No. 11. In furtherance of the SWA, the Association created the following funds (collectively the “**Funds**” or individually referred to as a “**Fund**”): (a) Roofing Industry Advancement And Research Fund a/k/a Chicagoland Roofing Council (“**A&R**”); (b) Chicago Roofers’ Apprenticeship and Training Fund a/k/a Joint Apprenticeship Training Fund (“**JATC Trust**”); (c) Roofers’ Local No. 11 Promotional & Organizational Fund (“**RPO**”); (d) Roofers’ Pension Fund (“**RPF**”); (e) Roofers’ Union Welfare (commonly known as Roofers Health and Welfare) (“**RHW**”).

Section 2. Members. Contractor members of the Association who are a party to the SWA or any other union or associated unions (individual an “**Signatory Member**” or collectively “**Signatory Members**”), shall become members of the Labor Relations Group and such Signatory Members delegate their bargaining rights to the Labor Negotiating Committee. New members of the Association become members of the Labor Relations Group by executing an agreement to be bound to the current agreement with Local No. 11 or any other union (in such capacity becoming a Signatory Member). The President shall appoint certain Signatory Members of the Labor Relations Group to comprise the Labor Negotiating Committee. For purposes of clarity, only those Signatory Members are entitled to the benefits and obligations set out in the SWA and each trust agreement. Further, the assets contained within each Fund are solely for the benefit of the applicable union/Fund for those Signatory Members that contribute to the applicable trust. Thus, Association members that are not Signatory Members (“**Non-Signatory Members**”) are not entitled to any of the benefits, obligations, and/or asset associated with the SWA and/or the Funds.

Section 3. Responsibilities. The Labor Negotiating Committee shall be responsible for negotiating and administering the collective bargaining agreement for the Association, for the benefit of the Signatory Members, with Local No. 11 or another appropriate bargaining unit as may be determined. Only Labor Negotiating Committee members may take part in the negotiation and administration of the collective bargaining agreement with Local No. 11 or any other union or association of unions. The Labor Negotiating Committee is the sole and exclusive bargaining representative of all members, all members of which are required to be Signatory Members as references above, of the Labor Relations Group who have delegated their bargaining rights to the Association. No member of the Labor Relations Group who has delegated bargaining rights to the Association may enter into any separate negotiations, discussions, or separate agreement (oral or written) with any labor union or association of labor unions which in any way conflicts with, amends or deviates from any collective bargaining agreement entered into by or on behalf of the Association with any union or association of unions. Signatory Members of the Labor Relations Group, who have delegated their bargaining rights to the Association, agree to support the Labor Negotiating Committee in its negotiations with any union and shall not enter into any separate negotiations or discussion or reach or attempt to reach any understandings, formal or informal, or execute any agreement with a union that the Labor Negotiating Committee is responsible for negotiating, without the express approval of the Labor Negotiating Committee.

Section 4. Resignation, Revocation, Termination. Members of the Labor Relations Group whose bargaining rights have been delegated to the Labor Negotiation Committee may not resign their membership from the Labor Relations Group or the Association or revoke or terminate any bargaining rights delegated to the Labor Negotiating Committee except during the period between one hundred eighty days (180) days and ninety (90) days before the expirations of any existing collective bargaining agreement which the Labor Negotiating Committee has acted as the bargaining representative for members of the Labor Relations Group or until the negotiations for a successor agreement have been concluded and a new agreement reached. For notice of revocation or termination of bargaining rights to be timely, such notice must be sent to the Association, by certified mail, return receipt requested, during the appropriate period set forth in this **Article III, Section 4**.

CRCA BYLAWS

ARTICLE XI: LIABILITY, INDEMNIFICATION AND INSURANCE

Section 1. *Limitation of Liability.* No director, officer, employee, or agent of the Association acting in his/her official capacity shall be liable for damages resulting from the exercise of judgment or discretion in connection with the duties or responsibilities of such director, officer, employee, or agent except to the extent dictated by law.

Section 2. *Indemnification.* The Association shall indemnify and hold harmless any person or entity to the full extent required by law, who is or was serving in his/her official capacity at the request of the Association as a director, officer, employee, or agent, and may otherwise indemnify any person or entity to the extent permitted by law.

Section 3. *Insurance.* The Association shall be required to purchase and maintain insurance for such indemnification of the directors, officers, employees, or agents against any liability asserted against the person and incurred in any such capacity, or arising out of the person's status as such, regardless of whether the Association would have the power to indemnify against such liability.

ARTICLE XII: GENERAL PROVISIONS

Section 1. *Contracts.* The Board of Directors may authorize any officer(s) or agent(s) of the Association in addition to the officer(s) or agent(s) so authorized by these Bylaws, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Association and such authority may be general or confined to specific instances.

Section 2. *Deposits, Checks, Drafts, Etc.* All funds of the Association shall be deposited from time to time to the credit of the Association in such banks, trust companies, or other depositories as the Board of Directors may select and/or approve. All checks, drafts, or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Association shall be signed by such officer(s) or agent(s) of the Association and in such manner as shall, from time to time, be determined by resolution of the Board of Directors. In the absence of such determination by the Board of Directors, the Association Management Executive Director shall sign such instruments.

Section 3. *Fiscal Year.* The fiscal year of the Association shall be conducted on a calendar year from January 1st through December 31st.

Section 4. *Books and Records.* The Association shall keep correct and complete books and records of account and shall also keep minutes of the proceedings of its members, Board of Directors, and Committees, and shall keep a record giving the names and addresses, both post office and electronic, of all members at the Association headquarters. Any voting member shall have the right to examine, in person or by agent, at any reasonable time or times, the Association's books and records of account and minutes, and to make extracts therefrom, but only for a proper purpose. In order to exercise this right, a voting member must make a written demand upon the Association, stating with particularity the records sought to be examined and the purpose, therefore. If the Association refuses examination, the voting member may file suit in the circuit court of the county in which either the registered agent or principal office of the Association is located to compel by mandamus or otherwise such examination as may be proper. If a voting member seeks to examine books or records of account, the burden of proof is upon the voting member to establish a proper purpose. If the purpose is to examine minutes, the burden of proof is upon the Association to establish that the voting member does not have a proper purpose.

Section 5. *Audit.* The accounts of the Association shall be audited on a regular basis by an independent Certified Public Accountant approved by the Board of Directors.

Section 6. *Corporate Seal.* The corporate seal, if any, shall be in such form as the Board of Directors shall prescribe.

Section 7. *Delivery of Notice.* Any notice required to be given by law, or authorized or approved by the Articles of Incorporation or these Bylaws, shall be deemed to be delivered according to the following rules: upon personal delivery; if by mail, when deposited in the United States mail in a sealed envelope, properly addressed, with postage prepaid; if by facsimile, when the facsimile is sent via the facsimile number shown for the member/director in the records of the Association; if electronically, when transmitted to such email address shown for the member/director in the records of

CRCA BYLAWS

the Association; and if by overnight mail, when deposited with the shipping company in a sealed envelope, properly addressed, with shipping charges prepaid or billed to sender's account.

Section 8. Waiver of Notice. A written waiver of any notice required to be given by statute, the Articles of Incorporation, or these Bylaws, signed by the person(s) entitled to such notice whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice. Attendance at a meeting shall constitute a waiver of notice of such meeting, except where a person attends a meeting for the express purpose of objecting to the holding of the meeting because proper notice was not given.

Section 9. Use of Funds and Dissolution. The Association shall use its funds only to accomplish the objectives and purposes specified in its Articles of Incorporation, and no part of its funds shall inure or be distributed to the members of the Association. Upon dissolution of the Association, any funds remaining after payment of all debts and liabilities shall be distributed in the manner specified in the Articles of Incorporation of the Association.

Section 10. Compliance With I.R.C. Section 501(c)(6). The Association shall operate and conduct its activities in accordance with those permitted a nonprofit association under Internal Revenue Code Section 501(c)(6).

Section 11. Writing. Actions required to be "written" or "in writing," or to have written consent or written approval of, members, directors, or committee members shall include any communication transmitted or received by electronic means or by any other technology permitted by law and not prohibited in the article of incorporation or by policy or procedure of the Board of Directors. A requirement for a signature shall be satisfied by any means recognized by law, e.g., electronic signature, unless prohibited by policy or procedure of the Board of Directors.

Section 12. Legal Counsel. The Board of Directors shall retain Legal Counsel for the Association upon such terms and conditions as the Board shall deem advisable.

Section 13. Procedure. All meetings of the Association shall be governed by parliamentary law as set forth in the most recent edition of Robert's Rules of Order when not inconsistent with law or these Bylaws or any special rules of order the Association Board of Directors may adopt.

ARTICLE XIII: AMENDMENTS

The power to alter, amend, or repeal the Bylaws or to adopt new Bylaws shall be vested in the Board of Directors, acting by affirmative vote of two-thirds (2/3) of all of the directors. Such action may be taken at a regular or special meeting for which written notice of the purpose shall be given. The Bylaws may contain any provisions for the regulation and management of the affairs of the Association not inconsistent with law or the Articles of Incorporation.
