## 31st Annual Trade Show & Seminars

*“Decoding Roofing & Waterproofing Today”*

**Drury Lane Conference Center  
Oakbrook Terrace, Illinois  
January 23-24, 2014**

**As CRCA's President**, I invite you to attend and participate in the 2014 CRCA Trade Show and Seminars. As CRCA Attendees and Exhibitors will tell you, this show continues to deliver quality education and the best in Roofing and Waterproofing Exhibitors in the USA.

CRCA continues to provide a venue for Roofing and Waterproofing Contractors, Consultants, Manufacturers, Architects and Building Officials to expand their knowledge in technology, safety, products and services all aimed at developing the highest level of Roofing and Waterproofing Professionalism. This show continues to build on it's national reputation for cutting edge programming through the hard work of the Trade Show Committee Members

Fred Creed, Bruce Diederich, Greg Dedic, Phil Diederich, Tyson Everett, Dave Hamill, Greg Johnson, Rod Petrick, Ron Quimby and Ross Ridder. On behalf of CRCA's Trade Show Committee and Board of Directors, a big thanks to the Committee and the 2014 Trade Show Exhibitors and Sponsors for support that makes this show possible.

The 2014 theme, ***“Decoding Roofing & Waterproofing Today”***, sets the tone for CRCA's Educational Sessions with Thursday's CRCA Roofing Industry Breakfast Panel. Learn how the new 2012 International Building, Energy and Fire Codes, City of Chicago Energy Code and the new State of Illinois Energy Conservation Code affect the building envelope and the legal perspectives from a panel with worldwide expertise. Friday's seminars start with an important roofing safety seminar for roofing company owners and field personnel. Then, expanded seminars based on Thursday's topics from the panelists cover the 2012 IECC requirements for Insulation, Air Barriers, Ventilation, Research Reports from the Department of Energy, IL Roofing Contractor Licensing Law Updates and more. CRCA's Seminars Thursday afternoon and Friday are FREE. The CRCA Trade Show Exhibit Hall entrance is FREE, with refreshments too!

Together, we're building knowledge by ***Decoding*** the latest developments in the industry that produce the best practices to provide the building owner and manager a great roof, waterproofing, insulation and or air barrier that can be found anywhere.

Don't miss the CRCA Trade Show & Seminars EXHIBITS and EDUCATION. I invite you be active in our industry by attending the 2014 CRCA Trade Show & Seminars, joining CRCA and volunteering for a committee. [Register online at www.crca.org](http://www.crca.org). See you January 23 & 24th!

*Tony Roque, M.W. Powell Company, 2013/2014 CRCA President*

**Chicago Roofing Contractors Association  
31st Annual Trade Show & Seminars  
EDUCATIONAL SEMINARS**

Thursday, January 23, 2014

9:00-11:00 am

**CRCA Roofing Industry Breakfast  
“Decoding Roofing & Waterproofing Today”**  
*Crystal Ballroom, PRE-REGISTRATION REQUIRED*

Come listen to the 2014 panel including **Andre Desjarlais**, DOE/Oak Ridge National Laboratory, **Mark Graham**, NRCA, **Stephen Phillips, Esq.**, Hendrick, Phillips and **Bill Rose**, Prairie Research Institute who decipher today’s changes in the codes. Hear about Building Envelope Research, Building, Energy and Fire Codes, Ventilation and Legal Perspectives affecting the Roofing and Waterproofing industry. **Nominal charge** for Contractors, Manufacturers, Distributors. **Free** to Specifiers, Building Owners & Managers and Building Code Officials.

*CRCA Thursday Afternoon Seminars  
Crystal Ballroom - Free to all*

1:00-2:00 pm – **“Deciphering Legal Risk and Industry Developments”**

The 2012 International Codes add new challenges and requirements for insulation, air barriers and the building envelope as a system. Listen as **Stephen Phillips, Esq.**, Hendrick, Phillips, delivers legal perspectives that are important to the Contractor, Consultant, Designer, Building Official and others.

3:00-4:30 pm - **“Illinois Roofing License Law and Enforcement”**

CRCA’s Industry Affairs Committee collaborated with the state to develop the Illinois Roofing License Law. CRCA’s Legislative Consultant **Margaret Vaughn** will report on new developments with the law while **Margery Newman, Esq.**, adds legal perspectives on subcontracting as it relates to the Law and Lien Rights. Listen also to the Illinois Dept. of Labor, Unemployment and Dept. of Employment Security’s initiatives and how they fit in. Don’t miss this program developed by CRCA’s Steep & Shingle and Industry Affairs Committees.

**Drury Lane Conference Center**  
100 Drury Ln., Oakbrook Terrace  
Located East of Rt. 83 / South of Rt. 38  
(Roosevelt), N. of Oak Brook Mall

**THURSDAY**  
**CRCA TRADE SHOW EXHIBITS OPEN**  
**11:00 a.m. - 6:00 p.m.**  
**\$500 Raffle and Free Refreshments**  
**4:30 - 5:30 p.m.**

Friday, January 24, 2014

*CRCA Seminar - Drury Lane Theater  
Free to all*

7:00-9:00 am - **“Top 2013 Safety Violations & The Cost of Being Unsafe”**

This field-focused presentation of violations and preventative measures will strengthen the industry’s 2014 safety initiatives. CRCA’s Safety Consultant **Frank Marino**, Safety Check Inc. and OSHA Staff cover these Top Safety Violations and relate them to the Costs of Being Unsafe for all. Field Personnel, Foreman, Superintendents, Owners and all interested in Rooftop Safety are invited. Come for the Coffee and Reinforce Your Safety Awareness!

*CRCA Seminars - Crystal Ballroom  
Free to all*

7:45-8:45 am - **“Decoding Today’s Ventilation”**

Recommendations to vent attics arose in the 1930’s and 1940’s because moisture-carrying air leaks into the attic seemed inevitable. Now, improved air-sealing of attics is commonplace. Attic ventilation comes with an energy penalty and a resilience penalty. **Bill Rose**, University of Illinois, Urbana Champaign discusses “rethinking attic ventilation”.

9:30-10:30 am - **“Making Research Sense”**

The US Department of Energy’s Oak Ridge National Laboratory performs the “basic research” on energy conservation that provides information for all to make informed purchasing decisions. ORNL’s **Andre Desjarlais** brings the laboratory’s current building envelope performance research to CRCA Trade Show & Seminars attendees.

11:15 am-12:15 pm - **“Translating 2015 Code and Beyond”**

The 2012 Code Development Cycle for the 2015 I-Codes have just completed. What’s new in Building, Energy and Fire Codes? Will Insulation R-Value standards and codes bring new rooftop challenges? **Mark Graham**, NRCA’s Associate Exec. Director of Technical Services decodes the issues for the future, without losing sight on how to deal with them today.

**FRIDAY**  
**CRCA TRADE SHOW EXHIBITS OPEN**  
**9:00 a.m. - 1:00 p.m.**  
**All Friday Seminars are Free!**
